

1st Annual LibertyFest 500 Outhouse Race

Sponsor Form

The 1st Annual LibertyFest 500 Outhouse Race will take place in Franklin on June 29th (LibertyFest Day) during 4th of July Festivities Week. The Outhouse Race is a wacky event in which contestants pull or push homemade outhouses 500 feet. The event will be held at the 12th Street Island at 2 PM. We are trying to bring folks into town early before the Libertyfest Parade to enjoy some old-fashioned 4th of July fun. This exciting event is spearheaded by members of the Franklin Rotary Club and the Franklin Fine Arts Council as part of a fundraising effort which benefits community festivals, activities and events.

We are expecting numerous businesses, organizations and families to take part and enjoy the camaraderie of a fun and challenging race.

On behalf of the LibertyFest 500 Outhouse Race Committee we request your support and partnership in the form of a \$100 Sponsorship for the event. Your name will be displayed and will be announced throughout the event and will be advertised in other ways.

We look forward to and will greatly appreciate your involvement with the LibertyFest 500 Outhouse Race and help us create this new experience which should be a great addition to our "Always Eventful" Franklin.
